

COMMODORE'S REPORT

Happy Valentine's Month to everyone! It's hard to believe that January is over and we're one month closer to summer. If you missed New Year's Eve at WYC you sure missed a great time. The decorations, the food and the music surely helped bring in 2012 in style. Thanks to everyone who helped make this evening such a wonderful success. There's nothing better than spending this special evening with our yacht club friends.

Be sure to check out our new website. Peter & Donna Hanulak have updated it under wicomicoyachtclub.com. Donna has spent countless hours gaining access and recreating it. The new home page makes it easy to maneuver through and find our activities, boat cruises and restaurant menu. Peter took great pride in picking out the colors!! Be sure to visit it often for any new additions. There are lots of pictures and you never know when yours might show up. Thanks Peter and Donna for taking on this task and doing such a tremendous job.

At our last board meeting approval was given to renovate the men's small bathroom and updating and replacing some appliances in the kitchen.

Activities have been planned for this year including cruises, special events, entertainment and some new activities. Please be sure to volunteer for any of them as help is always needed and welcomed. Your participation in and attendance are what makes WYC the great organization that it is. Hope to see you soon.

YOUR COMMODORE,
LAURA LOCKWOOD
